Charging Port

S T E P 1   Charging

 • Connect the power supply to the Luna charging port, then plug the other end into any 110V
   power source. Charge Luna for 2-4 hours. The Luna is fully charged when the Bluetooth
   indicator light turns off.

Note:
 • Charge Luna in dry area to keep from damaging.
 • We recommend fully charging Luna before you store for extended periods of time.
 • When the Luna battery is low, you will hear an indicator tone notifying you to charge the
   Luna.

S T E P 2   Pairing Bluetooth Device

 • To turn on Bluetooth, locate the Bluetooth power button on the Luna. Press and hold
   Bluetooth power button for 3 seconds until you hear a prompt sound. The Bluetooth indicator
   light will blink blue when in pairing mode.
 • From your music device, turn on Bluetooth and switch your device to discovery mode. Select
   "LUNA" from your device options. You will hear a set tone and the Bluetooth light will become
   solid blue once the Luna and your music device are paired successfully.
 • Use controls on music device to select songs from playlists and adjust volume.

Note:
 • Sound quality will lessen or music will stop playing when music device is approximately
   30 feet away from Luna.

SAFETY PRECAUTIONS:

• Position Luna in a location that will protect it from direct sunlight and moisture.
• Do not overcharge the battery. Unplug the power supply when the indicator light turns off. Over charging may cause the battery to become hot, rupture or ignite. If you see any heat deformation or leakage, properly dispose of the device.
• If unit is exposed to light moisture, allow unit to air dry for a minimum of 24 hours before reuse.
• Power supply must be used indoors only. It is neither designed nor tested for use outdoors.

WARNING: *The Luna umbrella light is not waterproof.* If Luna is immersed in water or exposed to heavy rain the unit will be damaged and void the 1 year warranty.

NOTE: We recommend fully charging Luna before you store for extended periods of time.

⚠Power Supply:
• Never use a third party battery or power supply. Doing so may increase risk of fire or explosion. Contact your local authorized dealer for a replacement power supply.
• During prolonged use, it is normal for the power supply to be warm to the touch. When using power supply, avoid direct sunlight and exposure to moisture.
• Do not attempt to charge the Luna in inclement weather (rain, snow) so as to prevent damage to the electrical components.
